

Innovative BioSolutions LLC

Privacy Policy

Welcome to the Innovative BioSolutions website. This Privacy Policy applies to the www.innovativebiosolutions.com website.

1. Acceptance of our Privacy Policy

By visiting the Innovative BioSolutions website www.innovativebiosolutions.com, you agree to this Privacy Policy. Innovative BioSolutions may change the Privacy Policy from time to time and any and all changes will be effective immediately upon publication on the website.

If you have any questions on this Privacy Policy, please email us at info@innovativebiosolutions.com and/or contact us at +1-513-816-2134.

2. Information we collect

We collect user data such as Name, Company name, email address, address, phone number, username and password for the following:

1. To purchase the Diagno Lab Intel database or other databases we publish
2. To submit a news item
3. To register your company profile in our database
4. To register as a Guest Blogger

3. Use of Information collected

The information collected is for internal use only. We do not sell, share, transfer or post user information to any one or on another platform or partner site. By registering on our platform, you agree that we may contact you by phone, post email and/or fax with information on your account and subscription to our databases or other services.

4. Links to other Third Party Websites

The Innovative BioSolutions website may include links to other third party websites. We are not responsible for the privacy and protection of information you provide on these third party sites. Since we do not control the content or accuracy of information provided on third party sites, we cannot be held responsible for any loss or damage incurred by the user on accessing these third party websites.

5. Security

We recognize that the security of your information shared on our platform is critical and we take the necessary steps to protect against unauthorized access and use of your account. We do so by using Secure Sockets Layer (SSL) software. Please sign off from your account when using a public computer.

This Privacy policy was updated April 13, 2018.
